#### INTRODUCTION

The beginning of the Faculty of Creative Arts can be traced back to the establishment of the Culture Unit in 1970, then under the Office of Public Affairs, Universiti Malaya. In 1975, the Culture Unit was renamed as the Cultural Centre, reporting directly to the Chancellery of the university. We were tasked with the responsibility of organising arts and cultural activities for both the campus community as well as the wider public.

Our first director was the late Syed Ahmad Jamal (1979 – 1983), who was not only recognised as a National Artist but was also subsequently appointed as the Director of the National Art Gallery from 1983 to 1991. The Cultural Centre played an active role in organising numerous activities, and the lively campus environment of the Universiti Malaya became an important hub for Kuala Lumpur's thriving art scene.

By 1997, the Cultural Centre expanded its role into teaching and research. Two academic programmes were offered initially, a degree in Bachelor of Performing Arts (with Honours) with a major in either Drama or Music. By the year 2000, the Department of Higher Education, Ministry of Education approved our postgraduate programmes. We were then able to offer courses leading to a Master's degree in two areas of specialisation, the performing arts and visual arts.

Shortly after, the Public Service Department began recognising our Bachelor degree qualifications for the purpose of appointment to public service. In 2002, we began offering Doctoral Degrees in these fields of study. The MA in Visual Arts program began its first teaching semester in 2003, initiated by renowned artist, curator and art historian, the late Redza Piyadasa. Finally, we began offering a Bachelor Degree of Performing Arts with a dance major in 2005.

Currently, we are offering three (3) undergraduate programmes, namely Bachelor of Music, Bachelor of Drama and Bachelor of Dance.

Many graduates from the Cultural Centre have since carved successful careers for themselves in both private sectors and government agencies such as the Ministry of Culture, Arts and Heritage, National Academy of Arts and Heritage, Department of Culture, Arts and Heritage of various State Agencies, as well as the Ministry of Education. There are also graduates who have become free-lance cultural workers, as actors, independent curators, dancers, independent researchers, professional musicians, private art or music teachers.

A number of graduates continue with their higher education degree and upon graduation are currently working as lecturers in both private and public universities/colleges.

On 1st March 2021, marked another milestone when the Cultural Centre was finally upgraded as the Faculty of Creative Arts, headed by a Dean who is now assisted by three Deputy Dean.

# AMANAT TIMBALAN DEKAN (IJAZAH DASAR & HAL EHWAL PELAJAR ) / DEPUTY DEAN (UNDERGRADUATE & STUDENT AFFAIRS) MESSAGE

The new students of the undergraduate programmes at the Faculty of Creative Arts, Universiti Malaya, Welcome! Congratulations for having made it to one of the top 100 universities in the world. Faculty of Creative Arts (FCA) offers four undergraduate programmes - Bachelor of Music, Bachelor of Drama, Bachelor of Dance and Bachelor of Performing Arts (POISE), from which more than 100 courses are offered to you to reshape your educational path that will open new possibilities for yourself.

The Programme Learning Outcomes (PLOs) for each programme will enable you to develop essential cognitive, affective, and psychomotor. The PLOs are devised to enhance your hard skills and soft skills, equipping you with essential capacities to thrive in the increasingly changing and complex world and to thrive not only in your artistic/professional life but also in the community at large.

Under the guidance of your academic advisor, you will discuss your interests and aspirations, as well as the courses you will take for three years. While you do that, I encourage you to go forth in a spirit of exploration and try new things - choose courses that expose you to new ideas and alternative ways of thinking. SHE courses challenge you to think out of the box and help to broaden your knowledge beyond your field of specialization. A combination of program courses, SHE courses, Elite programmes and mobility programmes nurtures your knowledge, experience, and creativity. So, embrace the blended learning of the 21st century. Experiment!

FCA's talented and versatile faculty will be your guides and allies in your exploration. They are your greatest resource. They are leaders in their fields and are applying their expertise through scholarship, research, and practice. Get to know them – talk to them after class, seek them out at campus events and during office hours, ask them about their research and tell them about your own ideas. They will challenge you, guide you, and open doors to new trajectories.

What does it mean to study at a research university? The heart of UM as a major research university is a culture of inquiry. As faculty, we are hired to ask questions and to explore possible answers—in collaboration with our colleagues here and at other universities, with our graduate students, and with our undergraduates. The products of our research are publications, performances, and exhibitions. As part of your participation in this culture of inquiry, work with your supervisors to plan how you are going to undertake your own work of research or creative activity —don't be afraid to explore ways of generating new ideas and new knowledge, which is the fundamental work of a research university.

Finally, I would encourage you to take advantage of UM's position as one of the world's premier international institutions. UM offers an immense array of opportunities to create a truly global education, by, first, getting to know your fellow students. To our international students: reach out, as difficult as this is when you are in a strange place, away from the comfort of home. Ask questions about how things work here; don't be afraid to show you don't know; make the effort to make real friends with students from various countries.

I want you to know that the entire faculty community is here to support, sustain, and encourage you as you commit to study here. We could not be more privileged to welcome you into this vibrant learning community. It is you who make us what we are, and we look forward to the fresh ideas and energy you bring to our faculty. Enjoy your study at the Faculty of Creative Arts!

#### SARJANA MUDA TARI / BACHELOR OF DANCE

#### PENGENALAN KEPADA PROGRAM / INTRODUCTION TO PROGRAMME

#### Sarjana Muda Tari

Jabatan Tari bermula dengan kewujudan program Sarjana Muda Seni Persembahan (Tari) pada tahun 2005. Program ini bertukar nama kepada Sarjana Muda Tari semasa semakan kurikulum pada tahun 2017. Program ini memfokuskan kepada pengajian teori dan praktikal dimana pelajar akan mengambil kursus berteraskan teori dan praktikal secara seimbang pada setiap semester. Jabatan Tari mempunyai keistimewaan dan keunggulan yang tersendiri dimana program ini bertumpu kepada pelbagai jenis penyelidikan tari selaras dengan matlamat universiti. Walaupun begitu, Jabatan ini masih berfokuskan pada tiga trek pengkhususan iaitu penulisan tesis berdasarkan kajian lapangan, persembahan, dan koreografi. Jabatan Tari juga terdiri daripada dua cabang persembahan: KESUMA (Kumpulan Kesenian U.M.) dan UMa Dance. KESUMA memberi penekanan kepada tarian tradisional, manakala UMa Dance memberi tumpuan kepada tarian kontemporari. Cabang persembahan, KESUMA dan UMa Dance, telah membuat persembahan secara meluas di Malaysia dan di luar negara. Ini telah menjadi nama dan penanda identiti untuk Jabatan Tari selama hampir dua dekad.

#### **Bachelor of Dance**

The Dance Department first emerged through the Bachelor of Performing Arts (Dance) Programme in 2005. The name of this programme was later changed to Bachelor of Dance during the curriculum review in 2017. This programme focuses on theory and practice where students enroll in theoretical and practical courses in a balanced manner every semester. The Dance Department is unique and has emerged as a leading provider of dance studies in the country through its focus on various forms of dance research at par with the university's aspiration. Even so, this program focuses on three tracks of specialization: thesis based on fieldwork, performance, and choreography. The department comprises two performing wings: KESUMA (Kumpulan Kesenian U.M.) and UMa Dance. KESUMA focuses on traditional dances, while UMa Dance focuses on contemporary dances. KESUMA and UMa Dance have performed extensively in Malaysia and abroad. These have become the household names and markers of identity for the dance department for almost two decades.

#### PENGENALAN KEPADA PROGRAM / INTRODUCTION TO PROGRAMME

#### Sarjana Muda Seni Persembahan

Program Sarjana Muda Seni Persembahan merupakan program sepenuh masa yang baharu diperkenalkan di bawah Fakulti Seni Kreatif di Universiti Malaya, menjadikan UM sebagai perintis di Malaysia di bawah kerangka EXCEL (POISE). Program ini, yang berpandukan prinsip POISE (Berasaskan Minat), menawarkan fleksibiliti kepada pelajar untuk membentuk perjalanan pendidikan mereka dengan memilih gabungan dua disiplin teras—Tari, Muzik, atau Drama—beserta satu elektif.

Program ini berlangsung selama tiga tahun, terdiri daripada enam semester biasa (setiap satu 14 minggu) dan satu semester khas (7 minggu). Untuk melengkapkan ijazah ini, pelajar perlu mengumpul sejumlah 127 kredit, yang dibahagikan seperti berikut: 18 kredit untuk kursus universiti, 82 kredit untuk kursus teras, dan 27 kredit untuk kursus elektif.

Bagi kursus teras, pelajar memilih dua disiplin seni persembahan daripada Muzik, Drama, atau Tari, dengan jumlah 82 kredit keseluruhan. Kredit ini diagihkan sebagai 31 dan 30 kredit bagi setiap disiplin, termasuk 4 kredit diperuntukkan untuk Latihan Industri. Selebihnya 21 kredit meliputi kursus teras program umum.

Dalam konteks kursus elektif, pelajar dikehendaki melengkapkan 27 kredit: 19 kredit dalam satu disiplin (daripada mana-mana tiga bidang), manakala baki 8 kredit boleh dipilih secara bebas daripada mana-mana tiga disiplin tersebut. Kursus universiti, termasuk Komunikasi Bahasa Inggeris dan kursus wajib lain, merangkumi 14 kredit, dengan tambahan 4 kredit dikhususkan untuk program Pembangunan Holistik Pelajar (SHE).

Kekuatan utama program ini terletak pada pendekatan interdisiplin dan fleksibilitinya, membolehkan pelajar menyesuaikan pengajian mereka mengikut minat dan matlamat profesional masing-masing. Di samping itu, program ini diakhiri dengan projek tahun akhir di mana pelajar boleh memilih untuk menonjolkan bakat mereka sebagai *performer* dalam Tari, Drama, atau Muzik, mengambil peranan sebagai koreografer, pengarah, instruktor muzik, atau komposer, memberi tumpuan kepada pengurusan produksi, atau menjalankan penyelidikan akademik. Struktur unik ini melengkapkan graduan dengan kreativiti, kemahiran teknikal, dan kesediaan industri yang diperlukan untuk berjaya dalam pelbagai bidang seni persembahan.
